will be more valuable to students or to the profession generally."—Law Reporter.

"Mr. Greenleaf's part in the work is not merely
well, it is admirably, done. His notes are full of
learning, carefully considered, and of most commendable brevity. He has not encumbered his pages
with a showy display of cheap learning, nor imnify his office. He has not encumbered his pages with a showy display of cheap learning, nor imposed upon the profession the necessity of purchasing a mass of speculative discussion, of no practical utility. The whole work, edited throughout as the first two volumes have been, will be one of the most valuable gifts ever hestowed upon the legal profession, and will add essentially to Mr. Greenleaf's already extended reputation. Dr. Martin's Syrup of Wild Cherry and Sar-

"His work will be valuable to every practising lawyer in the country, and ought to have a place in every library. We are happy to learn that it has been thus far well received, and we have no doubt that experience will vindicate the correctness of these first impressions."—Law Reporter.

"It is a monument of industry, learning and research, which will prove of great utility in the practice of law and in the business of life, and, we think, cannot fail to add to the well-earned fame which Mr. Angell has already acquired as a lawyer and writer on many important and interesting subjects connected with his profession."

[Providence Daily Journal.]

"The subject is treated in a practical, plain and intelligible manner, and the book may be carefully consulted by the business man as well as by the lawyer."—Botton Daily Advertiser.

DR. MARTIN'S SYRUP OF WILD CHERRY.
Her discase was Consumption in its forming stage.
The Boonsborough Odd Fellow, of Washington county, Maryland, June 20th, 1849, says: "When an article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD OR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it knewn. There never was an article in this coun-try that has afforded relief and gave more satisfac-tion than this. In the neighborhood of Brownsville, in this county, it has effected several important cures, and, from our own certain knowledge of it. we pronounce it unequalled for the cure of Coughs, Colds, and diseases of this kind."

MARTIN AND WHITELEY'S NATIONAL

By George P. Sanger, Counsellor at Law.

Royal Svo.

"We speak from personal knowledge, and after a thorough examination, when we say, that this work line been executed with the most remarkable fidelity and accuracy. To form an idea of the magnitude of the fask, it may not be amiss to say that it contains between fifty and sixty thousand cases. These are alphabetically arranged, and the reference are made both to the page of the volume where it is found,"—Law Reporter.
